Found Drad in a Building—The body of a man was bused lying in an unfinished building on the evener of lushing avenue and Bridge street, yesterday morning, the from appearances had died from congestion of the rain. He did not appear to be known by any one. The ody was taken to the Dead House and the Corener neti-

distrily after organized, which now numbers two hundred sphelars. A board of trustees was absent in November, six es which time a peromasent church with the above file has been established consisting of sixty membars. The ceifies now about being built is to be constructed of bick, in a plain and substantial manner. fifty nine feet wide, by eighty feet deep, with a assement suitable for labouth school or other purposes. The inside of the church is to be finished in imitation of stone, with full galleries. The entire cort of the building, including the greind, will be about \$15,000.

Bignway Robberty—Samuel St. John a colored man, residing at No. 141 Grand street, while on his way home brough Nimh street, about 9 o'clock on Wednesday evening, was attacked by three desperadors, who knocked him down after which two of them heid him while the fairly processed to rife him peakets of six shillings in change a promisory note for seventy eight deliars, and various articles, with which they effected their escape.

Attempt at Highway Reburky.—About 11 o'clock on Wednesday or this way home, through diarshall street, he was struck with a club, in the hands of some person behind him, and knecked down. The villain thes jumped on and held him, while he proceeded to search his pockets for money but finding none, gave him several kicks and ran eff. Office: Kiehl of the Third ward soon after arrested a man, named John Adam Bailey, on suspiction of having committed the assants. He was locked up for examina-

tion.

CENSURIABLE—J. G. Murphy died at his residence in First sheet, on Wednesday evening, in consequence of injuries received by failing from the ferry bridge at the foot of Grand street on Menday last. The public are justly indignant at the negligence of the ferry company in not securing and placing to a convenient place on the different ferry bridges, the necessary corks poles &c., to reseat ferry bridges, the necessary or and the water. It is said that Mr. Murphy's death was partly caused by the absence of the necessary means for recuing him from his persions rituation at once.

Important from Venezuela.
